Notification/Publication

- Please allow up to 30 days for advertisement. A public hearing must be advertised in the legal section no less than fifteen (15) days prior to the meeting. The Town of Thayne will arrange the advertisement.
- Notices will be sent by mail to all property owners within 140ft (excluding the width of any street or ally) of your property no less than fifteen (15) days prior to the public hearing.

Public Hearing/Ordinance Readings

- As the property owner, you are obligated to attend the public hearing. Surrounding property owners may appear at the public hearing and voice their opinions.
- Following the public hearing, the Town Council will then conduct three readings of an ordinance for the proposed zone change. The change will only become effective upon affirmative vote of ¾ of all members of the governing body at all three readings.

I/We have read and understand the Zone Change requirements and certify that the information provided above is true and correct.
